

Fork n Spoon - a multi-cuisine restaurant located at Mandarin Gardens condominium in the culturally vibrant East Coast of Singapore serving local Chinese, Indian & Western food.

“Delight in Every Bite” is what we aim for our customers. Fork n Spoon is an opportunity to dine with the family to relish the dishes alongside an international collection of wine and speciality cocktails.

Through Fork n Spoon, we hope to pay homage to the founders of Singapore, who believed in the Singaporean Spirit of multi-cultural belongingness and culture of “live and eat together”.

“Love for the soul is the same for the body, without food the body is weak and without love the soul is weak.”

I believe in providing a soul to my recipes as it brings a soulful food experience to my diners.

With over 25 years of culinary experience in Singapore & in other Asia Pacific countries, where I partnered with luxury five-star hotels, boutique restaurants and airline catering services, I have learnt the art of touching the soul via good food.

I look forward to your patronage.

Ayub Khan
